## Welcome to the Future

From 21–23 April 2026, the Summit will take place in Dubai, a city driving transformation in sustainable mobility.

With more than AED 146 billion invested in sustainable mobility, Dubai leads with groundbreaking projects, including the longest driverless metro system and a fleet of low-emission buses. As a model of modern urban mobility, Dubai makes it the ideal host for the UITP Summit 2026.

Be part of the future, and join us in Dubai to showcase your most innovative vehicles, solutions and products to the world.

### DATA & TECHNOLOGY

Passenger experience, intelligent traffic and infrastructure management.

### TRANSPORTATION MANUFACTURERS

Rail and bus vehicles, security, fleet and depot management.

### FINANCE & BUSINESS SERVICES

Financial & IT services, training, consulting, ticketing and fare management.

---

#### ORGANISED BY

UITP (Union Internationale des Transports Publics) is the International Association of Public Transport and a passionate champion of sustainable urban mobility. Established in 1885, with more than 135 years of history, it is the only worldwide network to bring together all public transport stakeholders and all sustainable transport modes.

---

#### LOCAL HOST

Dubai is one of the fastest growing cities in today's world, making the provision of high quality infrastructure facilities absolutely imperative. With that in mind, as well as the high priority allocated by the government of Dubai to the provision of an advanced transport network for the people of Dubai, RTA endeavours to improve the public transport facilities and develop roads across the emirate to make travel safer and smoother.
