About the Summit

The UITP Summit takes place in different cities around the world and is now an annual event. With 140 years of history, it has become the must-attend high-level gathering for the sector, offering a wide range of activities to help your organisation prepare for the future, both strategically and operationally.

What to Expect

Experience a dynamic programme with technical visits, expert-led sessions, and an inspiring opening ceremony. Participate in networking events, from small informal gatherings to large-scale receptions, connecting you with key players in public transport.

Sponsorship and Exhibitor Opportunities

How to Get Involved?

BECOME A SUMMIT PARTNER

Gain premium visibility with UITP Summit Partnerships, offering exclusive benefits tailored to your brand, such as sponsorship items or exhibition space.

SPONSOR INDIVIDUAL ITEMS

Boost your brand awareness by sponsoring specific items, including the Opening Ceremony, networking events, lanyards, and much more.

BOOK EXHIBITION SPACE

Showcase your products and services, connect with decision makers, and expand your business in a global marketplace.

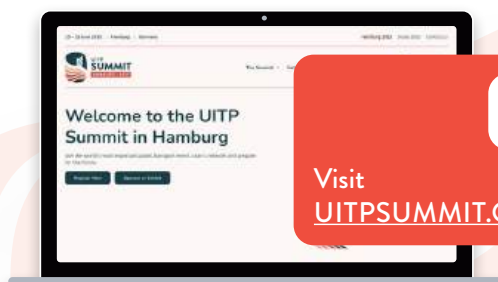

Who Exhibits?

From manufacturers of rail and bus vehicles to public transport operators, IT providers, and infrastructure specialists, exhibitors represent all aspects of urban mobility. Sustainable and shared mobility innovators, industry experts, and start-ups also showcase the latest advancements in the public transport sector.

Sponsorship and exhibition spaces are filling up fast!

Applications close **25 April 2025**.

Contact exhibition@uitp.org to secure your spot.

HAMBURG: A Model City for Mobility

Germany's second-largest city is the perfect host for the UITP Summits 2025 and 2027. With six suburban railways, four metro lines, over 200 bus routes, and eight ferry lines, Hamburg's efficient public transport system keeps the city moving.

As a Metropolitan Model Region for Mobility, Hamburg leads in sustainable and smart transport solutions, setting a global example. Beyond mobility, the city offers stunning architecture, rich culture, and a dynamic urban experience—making it an inspiring destination for public transport professionals.

Why Attend?

INSIGHTS & KNOWLEDGE

Gain valuable insights from more than 70 sessions led by more than 340 expert speakers.

EXHIBITION

Explore cutting-edge innovations and solutions from more than 300 global exhibitors.

DEMONSTRATION & TOUR

Experience future transport advancements through hands-on demonstrations and technical tours.

NETWORKING

Connect with over 10,000 professionals in tours, meetings, and networking evenings.

Introducing our Speakers

Learn from a range of speakers from leading public transport operators, authorities, industry suppliers, and thought-leaders.

Get inspired from their experiences, lessons learnt, and vision for advancing public transport.

Discover the full lineup and more on our [website](#).

SESSION TRACKS

Join us for four days of insightful discussions covering all modes of public transport.

Our programme is organised into six key tracks:

NET ZERO CITIES

Driving policies to net zero

OPERATIONS

Operating according to local needs

LIFESTYLE

Sustainable mobility as a lifestyle

PEOPLE-CENTRICITY

Focusing on people and communities

SUSTAINABILITY

Aligning mobility planning with the SDGs

TECHNOLOGY

Technologies for change
